SUMMER EMPLOYMENT

Number 1 - 1st Edition 1961

THE SUMMER EMPLOYMENT PROGRAM is a joint effort of the Federal Government and the private industry to provide work for young people during the summer months. The program is designed to help young people gain work experience, learn job skills, and develop a sense of responsibility.

At the Camps

At the camps, young people will be engaged in a variety of activities, including sports, arts and crafts, and outdoor games. They will also receive instruction in first aid, swimming, and other outdoor skills. The camps are designed to provide a fun and educational experience for young people.

Near-Event Activities, Inc.

Near-Event Activities, Inc. is a non-profit organization that provides summer employment opportunities for young people. The organization is committed to providing a safe and supportive environment for young people to learn and grow. The organization's programs are designed to provide young people with the skills and experience they need to succeed in the workforce.

THE STUDENT COUNCIL

The Student Council, whose members are elected from each class, serves as the organized link between the faculty, administration and students. The Council, being a representative body, has a hand in planning every phase of student activity.

The primary responsibility of the Student Council is to ensure the enforcement of the Honor System. It must be clearly understood that the Council is a judicial body and as such leaves the maintenance of the Honor System to the individual and collective responsibilities of all the members of the Student Body.

Gary Michael Smith
President

Gary Wade Crawford, Vice President
William Latimer Megathlin, Senior Representative

David Gwilyn Davies, Junior Representative
Henry Barton Lovett, Secretary and Treasurer

Being on the Student Council consumes much of a student's time. Many times during the year, the members are required to meet and discuss pending problems; to the Council member, these meetings always seem to be held the night before an hour quiz.

WHO'S WHO IN AMERICAN COLLEGES AND UNIVERSITIES

The eight men and one woman named to Who's Who in American Colleges and Universities were accorded the highest honor an undergraduate can receive. Those named were selected on a basis of scholarship, leadership, participation in student activities, service to the school, and promise of future usefulness to society.

THE BLUE KEY

The Presbyterian College chapter of Blue Key National Honor Fraternity was established March 29, 1932. The Blue Key is composed of outstanding senior leaders. Among the purposes of the fraternity is the fostering of ambition for intellectual attainment and the desire to render service to the Student Body and College, the study of student problems, and the enrichment of student life and stimulation of progress in the College. Requirements for admission were raised this year, the students being selected from the top 35 per cent of the senior class replacing the previous requirement of being in the top 50 per cent.

The Student Christian Association was formed to aid the development of Christian character on the Presbyterian College campus. In achieving this end, the scope of activities for this year included a Freshman orientation program, in which the freshmen were introduced to every facet of life on the campus, a fall picnic which formally initiated rat season, publication of the student directory, the presentation of Religious Emphasis Week, and the sponsoring of the spring picnic and fraternity sing.

Religious Emphasis Week, the highlight of activity for the year, featured as main speaker Dr. Lara-Braud, eminent theologian from Austin Presbyterian Theological Seminary.

The yearbook of Presbyterian College, The PaC SaC, represents the combined efforts of many to render an accurate account of the year's happenings. The 1964 yearbook was given a Second Class rating by the Associated Collegiate Press.

Our work began during the first days of school when the tiresome job of taking class pictures presented itself. Soon the number of students on the staff increased to an acceptable number, and the real work of just getting started began. An alacrity for the publication has existed which before this year was unknown. The work has been interesting, and has been done hoping that the book will be enjoyable for many years.

THE BLUE STOCKING

The Blue Stocking, weekly publication of the student body, aligned itself with the nation's college journalists by declaring: "The mere fact that this press is a student press does not release it from the historic and social responsibilities inherent in the publication of any newspaper."

A member of the Associated Collegiate Press, the U.S. Student Press Association, and the S. C. Collegiate Press Association, the Blue Stocking has been designated "All-American" fifteen times by the ACP; twice it has ranked among the ten best college newspapers in the United States, regardless of size.

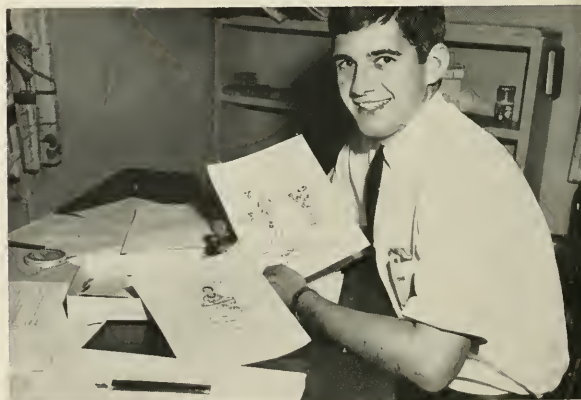

This year it became a contributing affiliate of the Collegiate Press Service, and its editors have been hosted at the White House, United Nations, and New York Overseas Press Club.

STUDENT ENTERTAINMENT COMMITTEE

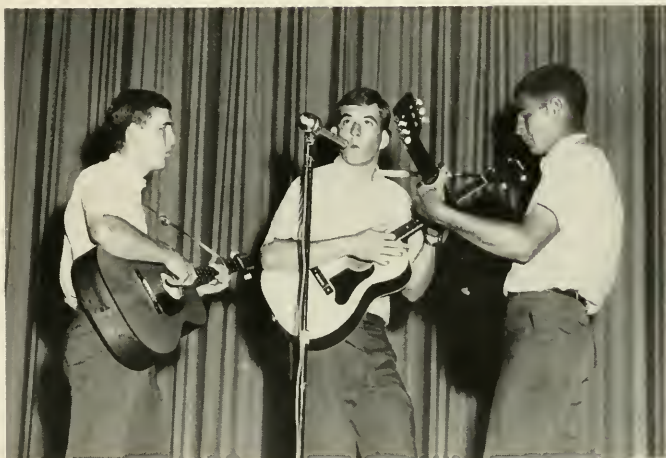

The Committee is responsible for co-ordinating social functions sponsored by the college.

This year the S.F.C. brought a concert to the campus for Homecoming and another one for Greek week end. These concerts were more readily accepted than other types of socials which have been held in previous years.

INTER-

Sigma Nu—Robert Elrod, President

The Inter-Fraternity Council is the co-ordinating committee for the six social fraternities on our campus. It is the main duty of the I.F.C. to establish and regulate rules concerning rush.

This year rush season was shortened from a previous period of twelve weeks to five weeks. This proved to be more acceptable to both the fraternities and faculty. Due to these changes, the I.F.C. is in the process of re-writing the constitution. In the future, the I.F.C. hopes to have a more workable rush procedure.

BUSINESS and ECONOMICS ASSOCIATION

The Business and Economics Association is composed not only of business and economics majors, but anyone who is interested in these fields. The association has current plans for reorganization to revive the interest and activities that have characterized the club in the past. Seminars are presented weekly either by professors on campus or by speakers who have been brought in because of their acumen in a particular phase of the business world.

SIGMA KAPPA ALPHA

Sigma Kappa Alpha, the senior academic honor society, recognizes those seniors who have completed six or seven semesters at PC and who have a grade point ratio of 3.2 or better.

STUDENTS OF CHRISTIAN VOCATIONS

The purpose of the Club is to provide an opportunity for members planning to go into full-time Christian service to have the experience of conducting worship services or talking to Christian groups. The members supply churches throughout Georgia and South Carolina during their spring trips. They also conduct Christmas services at Whitten Village, and provide needy families with money, food, or clothing during this time. Speakers from various fields present problems and challenges for the S.C.V. to analyze.

COURT OF FRESHMEN CONTROL

Left to Right: Richard Harvey, Sussana Jeans, Rut Galloway, Nancy Harvey, Bud Alford.

The Student Government of Presbyterian College has set up a committee of several members of the student body to act as a Court of Freshmen Control. The objects of such a court are to better enable the newcomer to adjust to the collegiate ways of life, and to allow the upper classmen to learn the names of the first semester students. The latter objective is reached by requiring freshmen to wear signs on which is inscribed his name, home town, and state. The "Rat" season opens immediately upon the beginning of school and usually lasts about six weeks.

ALPHA SIGMA PHI was founded at Yale in 1845 as a fraternity of brotherly love. ALPHA PSI Chapter was chartered at Presbyterian College in 1928 as the fourth national fraternity on Campus.

* * *

The Open Social began the social season. It was followed closely by Homecoming dance weekend which was enjoyed by brothers, pledges, and rushees. The Alpha Psi homecoming display won second place for the second year in a row. The Alpha Sig Smoker Club brought smoke filled rooms and many rushees to enjoy the entertainment. The Christmas dance was one of the best weekends for the Alpha Sigs.

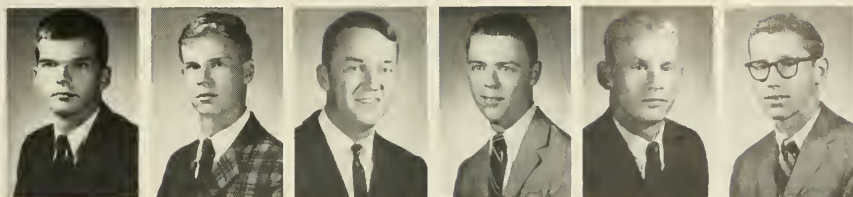

Second semester found no grass growing under the feet of Alpha Sigma Phis as they started the semester off with a Valentine Ball that saw many hearts. Military Ball and Greek Weekend were the two big dance weekends, but the biggest was our own Hawaiian Holiday with Brothers and pledges dressed as the Islanders. There were final exams and then everyone was off to the beach for food, fun, frolic, and girls. Thus came to a close a successful year for Alpha Sigma Phi.

BETA PI CHAPTER of KAPPA ALPHA ORDER was chartered at Presbyterian College on January 19, 1924. This chapter is but a part of the larger national organization which has chapters from the state of Maryland to California. The eighty-four chapters in the Order trace their origin to Washington College, now Washington and Lee University, where on December 21, 1865 the Kappa Alpha Order was born. As an embodiment and symbol of the standards they would seek to follow, the four founders chose Robert E. Lee, the president of their college and the former Confederate general. Lee, though never a member of Kappa Alpha, is today claimed as the "spiritual founder." Kappa Alpha Order is primarily concerned with the brotherhood. However, it equally emphasizes scholarship, participation in school activities, and moral achievements.

* * *

On October 22nd, 1964, twenty-one freshmen pledged Beta Pi and joined in the traditions and heritages of Kappa Alpha Order. The social year for Beta Pi began with rush season; Homecoming; Open Social; the tea dance before the Wofford-P.C. game; Parents Day; Christmas Dance weekend with the "K.A. Christmas Tree"; Wild West and the "Last Posse"; maneuvers of Jacobs Hill during Military Ball; and the Sabers Greek Weekend. The pinnacle of the social year for KA's was the Old South Convention held in Augusta, Ga., on March 12th and 13th. With beards, Gentlemen uniforms, "hooped dresses," mint juleps and Southern hospitality, the Share Cropper's Shindig, Secession Ceremony, and the Old South Ball were held at the Town House Hotel. At the Ball Miss Susan Hope of Converse College was presented as the 1965 Rose of Beta Pi Chapter.

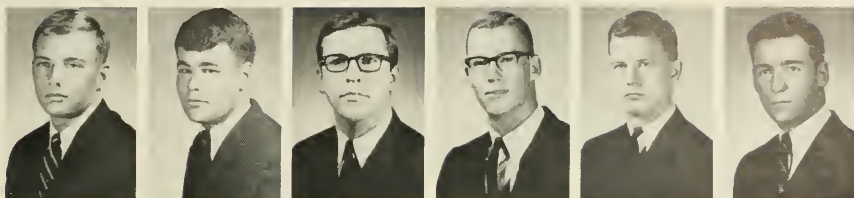

Following graduation the new officers will attend the biennial convention and after "rush" a fresh group of boys will join in the brotherhood of Kappa Alpha Order.

Pi Kappa Alpha

PI KAPPA ALPHA was founded at the University of Virginia in 1868. The founders were inspired by high ideals: love of brotherhood, sympathy, and friendship. The growth of the fraternity has been rapid and nation-wide and it is now among the largest of the Greeks.

MU CHAPTER was founded at Presbyterian in 1890 making it the oldest national fraternity on Campus. Since being founded, Mu has always been one of Pi Kappa Alpha's outstanding chapters.

* * *

Mu kicked off its social season this year with a barbeque, open social, and closed smoker. Also there was Homecoming weekend with Dr. Feelgood and the Interns.

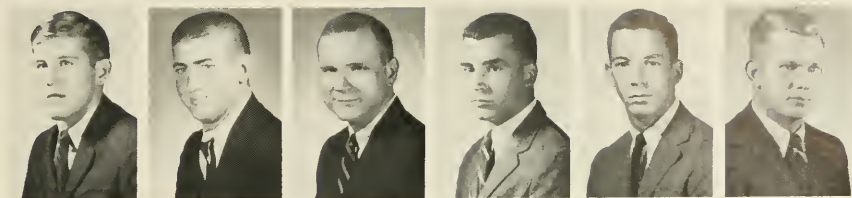

On pledge day Mu pledged fourteen shortly before the Christmas holidays, and they were in for a treat Christmas dance weekend to the tune of the "Dynamics" and the "Vibrations." Brothers and new pledges alike enjoyed the Christmas party given for the children at Thornwell.

Second semester was started with a pledge dance at the Legion Hut on a Saturday night shortly after returning to school. Military Ball and I.F.C. dance weekends came and went and were certainly enjoyed. The Easter Egg hunt was given for the Thornwell children. The Carolina Cup at Camden was taken in and the much waited for Roman Holiday and Banquet finally arrived. It was as always a success.

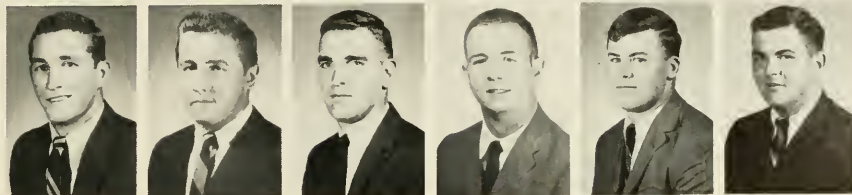

As the school year came to a close Mu found herself with a new group of Brothers and four year veterans, who had left their mark and were preparing to graduate. The Chapter paused to see a successful year come to a close.

PI KAPPA PHI is the only national fraternity that was founded in this state and it came into being at the College of Charleston in 1904. BETA Chapter was established three years later at Presbyterian College making it the second national fraternity on Campus.

* * *

The social events of first semester included an open social and a great Homecoming weekend. Beta Chapter took the honors in the homecoming display contest. The Parent's Day reception was held in the fraternity suite and the parents of all Brothers, pledges, and rushees were cordially invited to attend. Pledge day came and Pi Kappa Phi was very pleased with the job it did during rush. The Christmas dance weekend that followed not long after was a first for many of the new pledges.

The second semester parties were held at the Pi Kapp old reliable — "Peck's Ranch." The pledges did a tremendous job in decorating and helping make Military Ball and Greek weekend great dances.

A couple of stage parties and a couple with dates and house parties after exams ended the year for the Pi Kapps. Perhaps the most remembered dance was the annual Shipwreck Ball. This ended a most successful year for the Beta chapter of Pi Kappa Phi.

SIGMA NU was founded at the Virginia Military Institute on January 1, 1869. "To believe in the life of love, to walk in the way of honor, and to serve in the light of truth; this is the life, the way, and the light of our fraternity; this is the creed of Sigma Nu." ZETA THETA chapter was formed at P.C. on January 13, 1951 with the house being built in 1955.

* * *

Last year the fraternity won the All-Fraternity Intramural Trophy and this year, having already won football, ping pong, and volleyball, the Sigma Nus are well on the way to winning both the All Intramural and the All-Fraternity Intramural Trophies.

The 1964 social season opened with a rush party at Spartanburg, open social, closed smoker, and Pledge Day. Homecoming and Christmas Dance weekends rounded out the first semester with several other successful events.

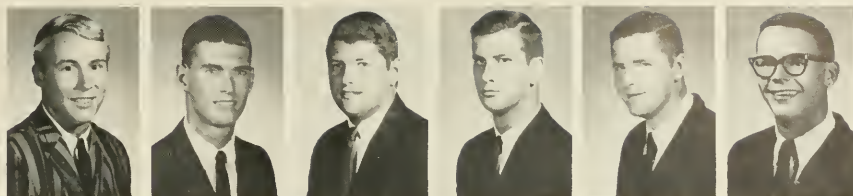

Second semester was again filled with events for the returning brothers and pledges. Sadie Hawkins Party for the brothers, I.F.C. weekend, Military Ball, and several other parties did a good job of entertaining the Nu's. The highlight of the 1964-65 year was the annual White Star Dance, a formal affair, which all brothers and pledges will remember long after their college days are through. After final exams, many will go to the beach party, work, or summer school. Those who graduate will have left their mark in Sigma Nu, and so ends another great year for Zeta Theta Chapter of Sigma Nu.

Beginning at Norwich University on April 10, 1856, THETA CHI Fraternity was founded by Norton Freeman and Author Chase. Today Theta Chi chapters are found throughout the nation and it ranks as the eight largest fraternity in the nation. BETA PSI Chapter was chartered here at Presbyterian College on December 5, 1942.

A successful rush season was started with a party at Porter's in Rock Hill and was followed by an open social and a closed smoker in the fraternity suite. Homecoming was celebrated at the Legion Hut and Lake Greenwood and both parties were quite successful. Christmas dance weekend entertainment was provided by Dr. Feelgood and the Interns on Friday night followed by the "Twilighters" on Saturday night.

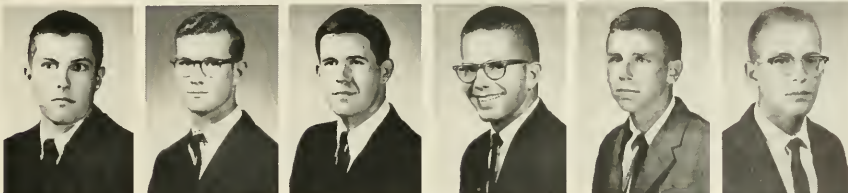

Military Ball and Greek Weekend highlighted the second semester social activities. Our annual alumni meeting was held in the spring as were a couple of stag suppers. An Easter Party at Thornwell Orphanage preceeded spring vacation. Exams finished out the year with Beta Psi loosing twelve brothers at graduation.

PC 47 - FREDERICK 17

It was Youth Day at Walter Johnson Field as the 1964 edition of the Presbyterian College Blue Hose met the Lions of Frederick College in the first game of a 10-game season.

The game was a wild-scoring affair, with the lead changing hands four times during the evening. The action came quickly, with the long TD bomb used by both teams.

Frederick led 7-0 after driving 70 yards the first time they had the ball. A 55-yard dash by Jerry Cross, and a sneak by quarterback Jim Crutchoff put the Lions on the scoreboard with only four minutes gone in the game. The Hose struck back suddenly as quarterback Leighton Grantham led the team 46 yards in three minutes to chalk up their first score of the '64 campaign. Runs by Sam Williams, Don McNeil, and the 2-yard TD pass from Grantham to Jimmy Bankhead put the Hose a point behind. The PAT failed and PC trailed 7-6.

Early in the second period PC took the lead as Sandy Hagood scored on a 5-yard end run. Hagood had returned a Lion punt to the Frederick 23, from where Williams and McNeil carried the ball down to the 5. Hagood's scoring run put PC ahead 12-7, as the conversion again was not good. The Lions immediately regained the lead as they intercepted a Grantham aerial and cashed it in for a 14-12 advantage. Russell Hall took it in from the 1 for the score, and the PAT put PC behind 14-12 mid-way of the second period.

Continuing the trend already established, PC struck quickly to capture the lead for the second time. Williams scored from the 1 for PC, followed by Grantham's two point conversion pass to Bankhead. With six minutes left in the half PC held a 20-14 lead. But that score was changed within three minutes as Frederick tallied on a 40-yard field goal. With 40 seconds left in the half PC held 20-17. A 90-yard TD drive was launched in that 40 seconds with Jim Johnson returning an intercepted pass to the Lion 34. Grantham's passes moved PC into the end zone, with Jim Smith taking the TD toss. At the half PC led 27-14.

It was all PC in the second half as the Hose drove the kickoff 77 yards to score. Grantham's passes to Hagood, capped by a 6-yard TD pass, and the PAT by Jimmy Cape, gave PC a commanding lead, 34-7. Later, Bankhead took a Grantham pass on the 15 for his second TD of the game and PC was in front 40-17. A 55-yard TD pass from Jackie Nix to Jim Johnson put the icing on the 47-17 win over the Lions.

An expectant PC crowd sees the Hose in action for the first time.

Nix jakes for a long gain.

A stout Blue Hose defense stacks up another ball carrier!

McNeil leads the way.

Williams goes around instead of over!

Bankhead hauls it in for a long gain.

PC 21 - LENOIR RHYNE 10

Lenoir-Rhyne College of Hickory, North Carolina was the second victim of the explosive PC offensive game. For a half, however, it looked as if the vaulted PC aerial game was going to be the downfall of the Hose, as alert Bear defenders spent most of the first half picking off misguided PC passes. A L-R field goal, a 37-yard boot, gave the Bears the half-time lead at 3-0.

The Hose stormed back after intermission to take the lead 7-3. Bernard West recovered a Bear fumble, but PC promptly fumbled it back to the hosts. Jimmy Cape then pounced on another Lenoir-Rhyne fumble on the Bears' 25. Sam Williams bulled for 23 of the final 25 yards, and took it in from the 1. A Cape kick put PC ahead, 7-3.

Garnet Welch recovered another Bear fumble on their own 3-yard line early in the final period. Williams again did the honors, scoring from the 2 after carrying on three straight plays. Cape's second PAT was good and the Hose had a 14-3 lead. Lenoir-Rhyne then tallied on a 56-yard pass-fumble-run combination to close to within 14-10 late in the game.

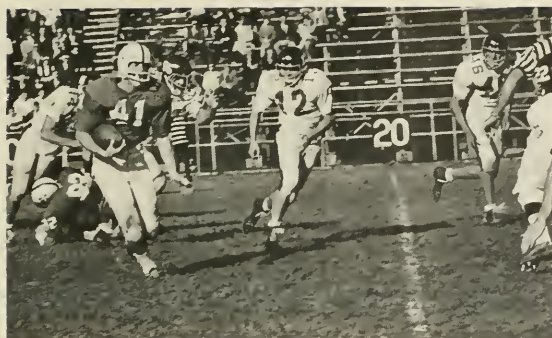

The PC defense recovered their fourth fumble of the night and converted it for the final margin of victory, 21-10. Co-captain Mike Lowrance fell on the Bear fumble on the LR 23 with less than a minute left. Again Williams powered it over, from the 5, followed by Richard Reed's first college PAT, as PC chalked up their second consecutive win of the early season.

PC hopefully takes the field.

"Mac" won't be brought down!

McNeil is off again.

Grantham lets go with another completion.

PC 9 - WOFFORD 22

The potentially best game of the season was slowed to almost a halt by a steady rain as PC lost her first game of the year, 22-9, to Wofford at Spartanburg. Both PC and the Terriers were undefeated coming into the game, but the miserable weather prevented either team from playing its best.

PC took a 3-0 lead early in the game on a 17-yard field goal by Jimmy Cape after PC's offense had stalled. The passing of Grantham to Bankhead and Smith highlighted the initial PC drive.

The rain seemed to dominate most of the second quarter, but the Terriers managed to catch the PC defense lagging on a 3rd and 11 situation when they ran a draw play for 51 yards. A field goal from the 27 tied the game.

An intercepted Grantham aerial resulted in the first TD for Wofford. The pass was returned to the PC 14-yard line; and four plays later Wofford scored, kicked the PAT and PC trailed 10-3 with five minutes left in the half. Lightning struck again for Wofford as they picked off another PC pass deep in Hose territory and pushed it in with less than a minute left in the half. Wofford led at the intermission, 16-3.

A fumbled punt by PC cost them another score, as the Terriers pounced on a loose ball. They scored on an end run, and PC trailed 22-3, in the last period.

PC's final effort resulted in its only TD of the night, but it was far too late. Grantham passed to James Smith for 37 yards in that final drive, with Smith scoring the TD. A pass for the two-point conversion was not good, and the Hose suffered their first loss of the season by a 22-9 score.

PC 13 - DAVIDSON 0

Homecoming had a full house at Walter Johnson Field and the Hose responded to the occasion with a good win over arch-rival Davidson. The big factor for the Hose was the fine defensive play when they needed it the most. The first period was a punting duel, with neither team able to generate an offense. There was no score in the first quarter.

Davidson threatened late in the half as they drove to the PC 2-yard line. The Wildcats had a first and goal, but they couldn't move against the PC line; their field goal try was no good and the score at the half was PC 0, Davidson 0.

The dormant PC offense exploded in the early stages of the second half, as the Hose drove 79 yards for the day's first score. Led by the running of McNeil, Williams, Stewart, and the passing of Grantham, the Hose took it in on a 31-yard run by McNeil with 9 minutes gone in the half. The PAT kick by Cape put PC ahead 7-0.

The final score for PC came on a 1-yard plunge by Wade Stewart with about 1 minute left in the game. The large gainer in that drive of 41 yards was a 34-yard pass from Grantham to Bankhead, followed by Stewart's TD plunge. The conversion was wide, but it didn't really matter as PC claimed win number three of the season.

Hose overwhelms a Davidson receiver.

Williams stopped for a change!

Johnson bulls it across behind rugged blocking.

PC 6 - FURMAN 28

The Paladins of Furman completely dominated the game at Greenville as PC was no match for the bigger, better Paladins. Furman scored within six minutes after the game began, with Ernie Zuberer carrying it in from the six yard line. A fired-up Furman defense had stopped PC cold, and the Paladins pleased their Homecoming crowd with an early score.

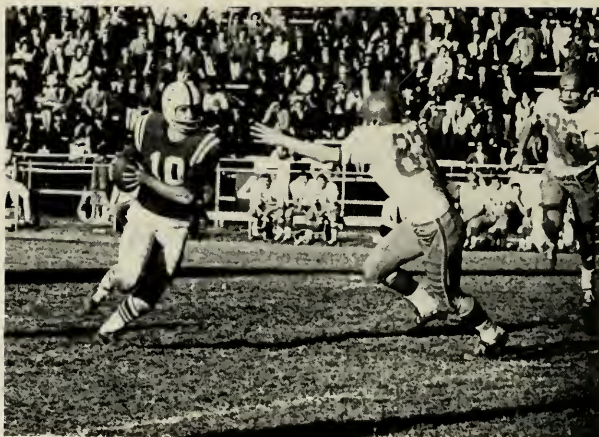

An early PC offensive drive faltered when Williams, after gaining valuable yardage, fumbled and the Paladins took over. Furman took advantage of the fumble and pushed it in for a 14-0 lead on a short pass. Again the Furman defense forced PC to kick, and the Southern Conference team quickly pushed it into the end zone on another short pass. The half saw PC trailing 21-0.

Furman stopped another PC drive early in the third period after the Hose had launched what seemed to be a threat. A PC punt resulted in the Paladins' final TD as they passed for their third score of the game. Seven minutes remained when Furman led 23-0.

The Hose made the scoring column with 10 seconds remaining on a 53-yard TD pass from Grantham to McNeil. The two-point conversion attempt was not good, and the Hose trailed 23-6. One more last-ditch effort by PC failed; they recovered the kick-off, but couldn't get off another play.

Smith tripped up after gain.

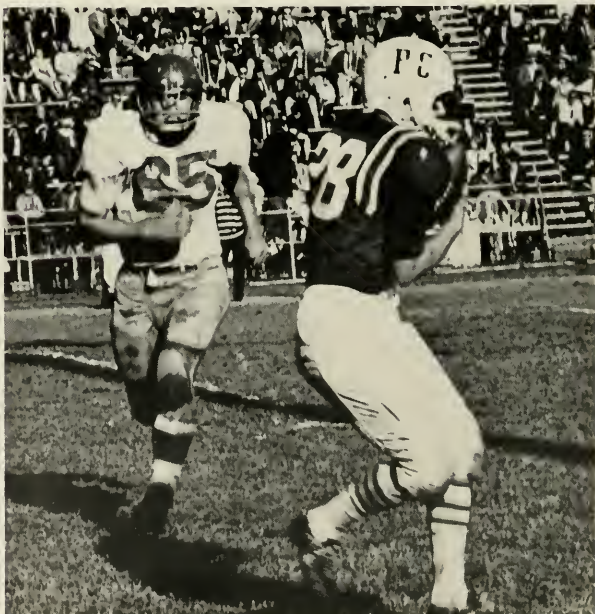

Nix rolls out on keeper play.

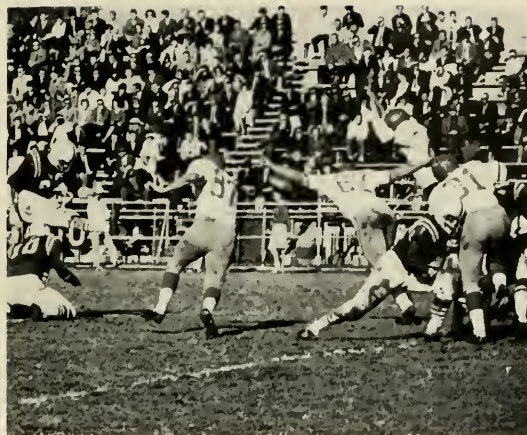

PC 0 - TAMPA 42

The University of Tampa was having Homecoming, and the Trojans treated their faithful fans to a 42-0 win over Presbyterian. PC was never in the game, and the Tampa team had a decided edge in the statistics. The Trojans scored with only 5 minutes gone in the game and increased the lead to 21-0 late in the first period. Another Tampa score, late in the half, gave them a 23-0 lead at the intermission.

Tampa took over completely in the second half. PC played mostly freshmen and inexperienced men in that final half, hoping to salvage at least experience from the game. Tampa scored twice in the third quarter, leading 42-0 going into the final period. They, too, sprinkled reserves in the final minutes, and no offense was launched by either team in the final phases of the game. Final score, 42-0, had PC taking its worst loss in years to a rising football power in the South.

Haygood on a hook-and-go.

Reliable Cape boots another three.

Monk clears the way.

PC 7 - TROY STATE 9

The most disappointing game of the year was at Troy State College of Alabama. The Hose felt they could win this one, but the Red Wave were not to be denied. An early PC drive gave the indication that they would control the game, but the Troy defense halted the Hose threat.

Early in the second period Troy State's fullback broke through the PC line and raced 19 yards for the score. The PAT was good and PC trailed 7-0 in the second. The Hose did manage to get to the Red Wave 13-yard line late in the half, but their offense couldn't push it in and the score at the intermission was Troy 7, PC 0.

The Red Wave line blocked a PC punt mid-way into the third period and the resulting safety put PC behind to stay 9-0. The Hose however, were not to be shut out, as Richard Munn intercepted a Troy State pass. The passing of Grantham to McNeil and Galloway and the running of Williams quickly took the ball to the Troy 12. From there Mike Smith took it in, and PC trailed 9-7 early in the final period. The rest of the game was a defensive struggle, and PC suffered its most disappointing loss, 9-7.

PC 23 - APPALACHIAN 21

The most exciting game to be played on Walter Johnson Field in many years was witnessed by a packed-house Parents' Day crowd. The parents saw PC come near a win, apparently lose their chance for a victory, and then storm back to take a 23-21 win over Appalachian.

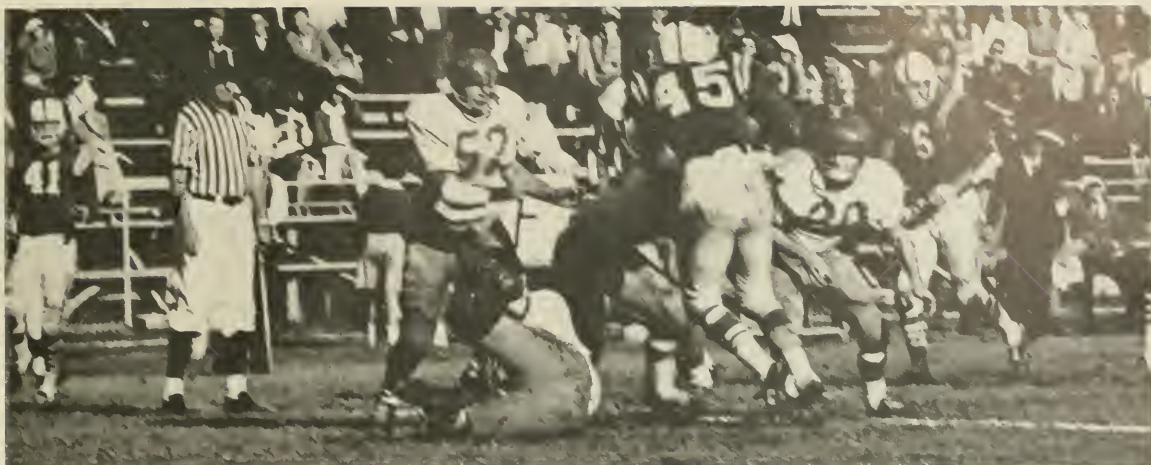

Appalachian scored early in the first period, but PC came back to go ahead 7-6 on the passing of Grantham to McNeil, Bankhead and Reed. McNeil took it in on a 10-yard toss from Grantham, and Cape's PAT was good. With three minutes left in the half PC struck again, going 80 yards for the score. Williams' 52-yard sprint highlighted the drive, and the stocky fullback carried the ball the final yard. Cape's second kick gave PC a 14-6 lead at the half.

Appalachian opened the second half going 72 yards to tie it up, 14-14. However, PC came back to take the lead 20-14 on a 90-yard drive, paced by passes from Grantham to Bankhead and McNeil. McNeil took it in from the four, but the PAT was wide.

A 69-yard scoring bomb for Appalachian put them ahead 21-20 in the final period. The Mountaineers score came only three plays after PC had taken the lead, and they moved 30 yards in those three plays.

The PC defense rose to great heights as they stopped the Apps on the PC 5 late in the game. PC took over, but had to punt. George Lokey recovered the fumbled punt, and PC began to move toward the Appalachian goal. The 44-yard threat was stopped when Appalachian intercepted a Grantham pass with less than three minutes left in the game. This time the PC defense starred again, forcing the Mountaineers to punt with a minute left.

Jim Johnson returned to the Appalachian 41, and passing by Grantham to Reed and Smith moved the ball to the Appalachian 12. Cape booted a field goal and Johnson Field went wild as PC came back in an unbelievably spectacular win before 4,000.

Rough going for Smith.

PC 8 - EAST CAROLINA 49

Powerful East Carolina College took PC easily, 49-8, in the Pirates' final home game before 14,500. The Tangerine Bowl-bound Bucs needed to win big in order to impress bowl scouts, and they did just that.

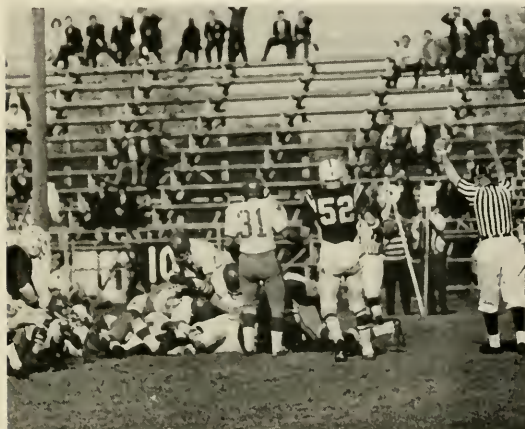

The Pirates were helped in their win when PC's Grantham was injured after directing PC downfield after the Hose held the Pirates on downs. But ECC got their offense rolling as they took a 23-0 lead into the dressing room at the half. The vaulted ECC single wing rolled up almost 350 yards in total offense, while holding PC to 140 yards.

East Carolina rolled as they broke school scoring records, individual records and impressed the scouts in the stadium. PC didn't go down without a fight, as they scored on a 34-yard pass from Jackie Nix to Richard Reed. The pass from Nix to Reed was PC's only serious threat, and the two combined for the two-point conversion.

The Pirates scored in spurts, getting 23 points within 10 minutes in the first half and getting 21 in 10 minutes in the final period. Their last score came with less than a minute left, as ECC got its bowl bid, and a 49-8 win over an outclassed PC team.

Nix sees daylight against Newberry.

Reed watches as Hose draw blood.

PC 35 - NEWBERRY 6

PC got a break-even season for the first time in several years, as they defeated Newberry 35-6 at Johnson Field before a crowd of 4,000. The game was never in doubt as PC held a 14-0 lead at the end of the first quarter, a 21-0 lead at the half, and won by 35-6.

Leading the PC attack was Williams, who scored a TD, Grantham, who passed for 100 yards. McNeil, who scored twice, Johnson, who intercepted a pass and scored, and Cape, who booted true on five consecutive extra points. The PC defense held Newberry to less than 150 total yards, and most of that was late in the game against PC's subs.

PC fans were worried at the opening of the game, when quarterback Grantham re-injured a knee and Jackie Nix took over. The senior quarterback did a fine job, leading the Hose for a score, passing a TD to Smith, and keeping the PC going on critical downs.

BASKETBALL

Capt. Danny Charles and Coach Art Musselman

With three freshmen in starting positions, the 1964-65 Presbyterian College Blue Hose began a rebuilding program to raise PC basketball back to the ranks of the small college cage powers.

The Hosemen's future fortunes on the roundball court look bright judging from this season, which produced a 9-17 record even with the inexperienced roster. Coach Art Musselman's quintet topped the hundred-points mark three times in LeRoy Springs Gym.

Senior Captain Danny Charles—a four year letterman—turned in his finest season for the Blue Hose, shooting 51% from the floor and 74% from the free throw line. The 6-4 forward averaged 11.1 points per game.

Junior Guard Gordon Adam was the team sparkplug, with an 18.8 scoring average, and topped the Presbyterians in assists and defense. He missed the All-State first team by only two votes.

The three rookie PC cagers with their scoring averages are Richard Quillen (11.3), Dave Turner (10.7), and Ken Martin (7.3). Quillen led the squad in rebounds with 191, and Turner was the top field goal shooter with 53%.

The 1965 Blue Hose squad posted a disappointing 0-9 record. The big problem was only two experienced pitchers on the squad. The Hose gained a lot of experience under Coach Billy Tiller. Several freshmen played well during the season including Mike Thurston, Brian Balcomb and Jim Atkinson. Wade Stewart and Danny Charles led the PC hitters for the season while Jimmy Cape and Rick Corley were the mainstays of the pitching staff. Heading the Hose in the field were Jackie Nix, Jimmy Elliot, and Brownie Johnson.

The 1965 PC tennis team faced a tough rebuilding job due to graduations. Several close matches were lost by 5-4 scores. Coach Gordon Warden in his last season led the tennis team into the state meet as dark horses. The Hose put on a fine show losing by a disappointing 21-20 score to Clemson. Bob Harris won the number 1 singles while Pete Collins won the number 3 singles in the match. This may not have been the greatest team in PC's history, but it can be remembered for its courage and hustle used to make up for skill.

Coach Gordon Warden

*Coach Warden when
he came to PC.*

Coach Warden

After directing the fortunes of the Presbyterian College golf and tennis teams for four springs Gordon Warden is leaving PC to return to his alma mater, the University of the South. Not only does he leave four years of outstanding golf and tennis records, more importantly, he leaves a school where he had over 500 friends.

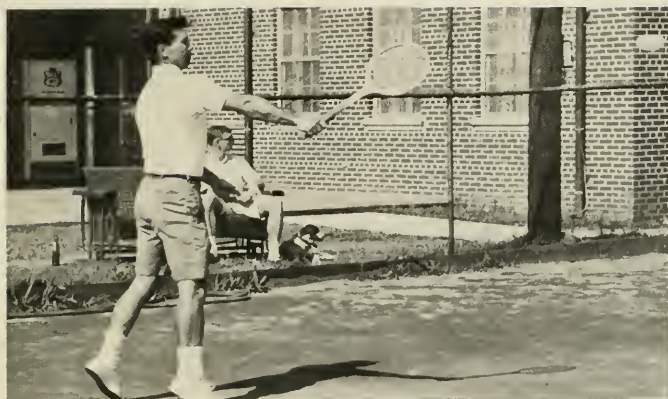

The student body was shocked to hear of Warden's decision to leave PC. We'll remember his friendliness to all students, his wit when it was appropriate, his sincere concern for the problems of us all, and for the deep sense of pride he felt in the teams he coached.

We'll remember his antics on the tennis courts and his always interesting matches. We'll remember his colorful additions to the sagging school spirit and his improved intramural athletic program that ranks among the best in the South. We'll remember his patience and his understanding.

But most of all we'll remember Gordon Warden as a man of deep convictions in all that he did. He wanted the best tennis and golf program he could have at PC and it is ironic that he could not have it. He wanted to retain the Presbyterian College tennis powerhouse when all others felt it was not possible. He gave it a good fight.

In four years his teams never had a losing season. His golf teams set records for number of wins in a year and placed well in the State meet. His tennis teams continued to defeat the best in the South and East and provided the thrills which are synonymous with Presbyterian College tennis.

Coach Warden, his wife Olive, and their sons John, David, Joe, and Robert, are leaving Presbyterian College at the end of this year. But the friends they made will remain and remember.

Coach shows that he still hasn't lost his touch.

YOUTH... our future!

Cone Mills, a major producer of high quality and modern fabrics, is staffed to meet the needs of today. Yet we are already looking at the 70's and beyond to determine our needs as industry becomes increasingly complex.

To maintain our standards, we are seeking young people with imagination and initiative.

If you are interested in becoming a part of our future, write

These are the three production processes necessary for us to produce top quality print cloth for America . . . As in good baskets and strong webs . . . quality cloth can only be produced by skillful attention to fundamentals . . .

To continue into the future we need ambitious young people to help us. We are always glad to discuss opportunities in the textile industry with those genuinely interested.
